

Welcome to **plateaumusic!** Thank you for choosing us for your music experience. Our teaching staff is dedicated to enhancing your knowledge and appreciation of music. We're passionate about what we do, and we're anxious to share that passion with you!

Program

Our strategy is simple. We'll discuss and identify your goals with you. Then, we'll match you with the right instructor and customize the program. From rock, to heavy metal, to jazz, to classical; we've got the best teacher for you! We're also in tune (pardon the pun) with our local Band and Orchestra programs, and will coordinate your lessons with any school studies. As always, fundamentals of your instrument and music theory are as much a part of the program as you desire.

Teaching staff

It's difficult not to brag about our instructors. They're simply the best around. Please inquire about their degrees, performance, and teaching experience. You will be impressed, we promise. And by the way, we never forget that this is supposed to be fun!

Fees

Lesson fees are \$28.00 per half hour and are payable at the beginning of each month. A one-time \$25.00 registration fee applies to new students, additional family members are \$10.00 per student. A \$5.00 late fee will be charged to any account not paid by the 15th of the month.

Make Up Policy

Our teachers have reserved their time for you, and will be ready at your scheduled lesson time. If you need to cancel your reservation, we are able to grant one make-up lesson per fiscal quarter, with 24 hour notice at the front desk. It is the responsibility of the student to schedule the make-up which expires 2 months from the cancellation date. There are no refunds for missed lessons. Tuition is due the first lesson of the month, and a late fee of \$10 will be applied if not paid by the 10th of the month. Please ask about '**AUTO PAY**' for a secure automatic tuition withdrawal, and never worry about late fees. Lessons may be terminated by notifying the **FRONT DESK** 2 weeks prior to termination. Without 2 week notification, the next month's lesson fee will be charged. Please know that managing our students, teachers, and room schedules is by far the most challenging aspect of our business. Please respect this policy.
